BYOB 2nd Meeting in Łódź - May 2015

On May 21st and 22nd will be held in **Łódź**, Poland, the second transnational meeting of the **BYOB** project. On this occasion, the partners will discuss about the progress achieved so far and the best ways to undertake the next important steps.

In particular, the focus of the meeting will be on two key areas:

- **Analysis of the State of the Art research** and how this will help the future work of the project. The report has been prepared by the Polish partner **Spółeczna Akademia Nauk**, with the important contribution of the other partners. The document analyzes the needs and current provision of entrepreneurship and job creation in adult education with peripheral groups in each partner country. The report will be soon available to download from the [BYOB website](#).
- **Planning and discussing the pilot** of the project. **BYOB** projects foresees three pilots of **BTFJCM model** in three new countries/environments

(Romania, Netherlands and Spain) with at least 9 learners per course, with the aim of increase their entrepreneurial skills and create jobs through the utilization of the BTFJCM methodology.

Are you from one of these three countries and do you want to attend a pilot course? Please write us at: info@byob-project.eu
